Presidency Message

Dear Sisters:

I want to thank you for the beautiful and selfless service that you rendered during 2024. So many acts of service and compassion were endlessly given. Perhaps you were the recipient of a kindness, and as well were given opportunities to serve your sisters and neighbors. I am always humbled by the love that is shown and I know that our Savior Jesus Christ is aware and pleased with your actions.

One of the goals for our Relief Society this 2025 is to be more intentional in our ministering. In addition, we are also challenging each of you to make monthly contacts, including home visits. We truly need each and creating bonds through ministering is truly "Thinking Celestial".

My love to all of you as we journey into this new year with hope and determination to achieve our goals and be true followers of Jesus Christ.

Love,
Caroline
