Presidency Message

Hello to my favorite group of sisters!

As I thought about the message for this newsletter, I of course thought of General Conference we recently just heard. So many wonderful messages were given. One that stood out to me was from our beloved Prophet, President Nelson. I loved when he spoke about having confidence in our Heavenly Father. How needed this message is! Would you agree?

“When I speak of having confidence before God, I am referring to having confidence in approaching God right now! I am referring to praying with confidence that Heavenly Father hears us. That He understands our needs better than we do. I am referring to having confidence that He loves us more than we can comprehend. That He sends angels to be with us and with those we love. I am referring to having confidence that He yearns to help each of us reach our highest potential.” - President Russell M Nelson

I know during my own times of trial, or in my life worries or stresses, or prayers and concerns for my kids, or family members or my friends going through hard times— I need to remember this! I need to remember that I need to have confidence in my Heavenly Father who knows and loves me and knows and loves my kids, my family members and my friends. He hears me, and hears you. He understands our situations. He knows best.. and that He sends angels! Confidence in Him is showing great faith! Confidence is Faith. I want to always be faithful. To have confidence in our Heavenly Father through all of our worries and trials— that is the focus!

Love you sisters.

Ministering Message

One of the ways we can minister and strengthen one another is by sharing the things we are learning from the scriptures. This month, text, email or leave a note about a scripture you have read that touched your heart!

Happy Mother's Day!
